Anabaptist Scholarship Foundation of Virginia (ASFVA) is a 501(c) (3) organization which serves private schools all across Virginia. We specialize in providing comprehensive scholarship services, which includes financial evaluation of each family and a proposed tuition assistance amount. Our goal is to financially assist families that choose to educate their children in private schools that has Christ as the central theme and focus in their curriculum and services.

Available scholarship funds are derived solely from donor directed contributions designated to ASFVA. We can accommodate Virginia EISTC donations.

Distribution of funds are needs-based according to family size, income (not more than 300% of the current poverty guidelines, with adjustments for eligible students with a disability), and total tuition.

Scholarships are available for any qualifying student (VA resident attending a VA school).

- The school needs to file a School Application with ASFVA.
- **School needs to provide ASFVA with an updated tuition schedule each school year.**
- The family needs to complete a Family Application to qualify for a scholarship award.
- Funds for any qualified student will be paid directly to their participating school with semi-annual payments during the school term. Award dates will be approximately November 25 and February 15.
- Scholarship funds from ASFVA are only available at schools that donors have recommended us to support with their contribution.
